FRIENDLY VISITOR PROGRAM

Matches visitors with those who would like a friendly visit to chat over a cup of coffee or tea, or ease the tedium of recuperating from surgery or illness. Visiting may be desired due to a short-term confinement or to provide a longer, more consistent relationship. The program will work to match the needs of each individual and volunteer. No prior care-giving experience needed, just a desire to bring a smile to a fellow parishioner or community member. Tav Rogers (tav@rogers.fm, 914-400-3568).

COMING HOME

Our Coming Home program is a life skills empowerment program for returning citizens (formerly incarcerated individuals). The program is 18 weeks long. Each session includes a meal followed by discussion topics for the participants. There are many opportunities to volunteer whether it be as a mentor or with assisting with the meal preparation and serving. For further information contact John Miller (jmiller@ryepc.com, 914-067-0842).

PRISON MINISTRY

"I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me" Matthew 25:36. In addition to monthly workshops with men in college and graduate programs at Sing Sing and Fishkill, we work with men who have graduated from those programs, been released, and are living positive and productive lives on the "outside." The highlight of our ministry is the annual Church and Justice Service, led entirely by men we have worked with on the "inside." Bob or Nancy Steed (bsteed55@aol.com, 914-328-9658).
